

Compositure Sketch Interview Questions

These questions are being sent to you in order to develop a composite sketch of the subject in question. Please answer the questions to the best of your knowledge. You do not need to be specific. You do not need to answer every question. However, please comment in every section.

Race of the subject: Caucasian male

Age range: 55-60

Body type: average build, stocky

How tall is this person: approximately 6 feet

Face shape: oval, slightly narrower at the jaw line than at the temples, with a dominant chin

Hair: combed to the right (his right), accurate, not too much hair on top, more on the sides than on top, especially above ears

Hair length: moderately short

Hair texture: normal, a bit wavy on top

Hair color: salt and pepper

Overall what is the hair like: average, middle aged, graying, combed to one side, very typical

Forehead: average high, with a few wrinkles

Hairline: slightly receding, slight male pattern boldness

Ears: pointing outward

Does the suspect wear earrings? no

What type of earrings? n/a

Nose: broad nostrils, nose is pointed slightly downward at the tip. The tip is very very narrow and pointy. The nose from the front view is the same width from top to bottom without any tapering.

Nostrils: broad nostrils/broad nostril wings. From the front view, each nostril and the tip are the same width.

Lips: very thin, especially the upper lip

Teeth: straight

Facial hair? no

Texture of the facial hair: n/a

Color of the facial hair: n/a

Cheeks: round, rosy cheeks

Skin tone: warm, tan

Skin texture: rough

Scars or marks on the face? no

Any other distinguishing marks? no

What about the neck? thick, but not too thick

Any tattoos? no

What about the eyes? bright, small, placed deep and close together, with crows feet, slight puff under the eyes

What's the "look" in the eyes? warm, friendly, innocent

Color of the eyes? gray or blue

What about eyebrows and eyelashes? slightly bushy eyebrows, salt and pepper

Any lines or wrinkles on the faces? crows feet around the eyes, a few wrinkles on the forehead

Does this subject have a "mature" or a "young" face? mature

Can you think of anything else that makes this subject distinctive? smile lines, wears a shirt, suit and tie, looks out of place in a suit and tie
